GP Update Course 2020
Even GP’S need a check-up

―This course is head and shoulders above anything else I’ve attended. The amount of relevant information is astounding, but not overwhelming and it’s all presented in a succinct way. Love that it’s for GPs by GPs‖
Dr Allen Perth

Hot Topics is the UK’s most popular GP Update course, specifically adapted for Australia.

Our goal is simple. We want to help GPs and Nurses catch up on a year of medicine, in one day.

We Offer

► 40 Category One and 12 Category Two RACGP Q1 & CPD points
► 6 CPD hours for Nurses
► The latest leading medical research and practical application
► A workbook featuring clinical topic summaries of 150 medical conditions and Australian specific “Keep it Simple Summaries”

Created by GPs for GPs, proudly free from pharmaceutical sponsorship and perfectly distilled for today’s busy GP.
